Accessibility statement for ADARC.ac.uk

This accessibility statement applies to the website ADARC.ac.uk. This website is run by AD|ARC (Administrative Data Agriculture Research Collective) funded by ADR UK and UKRI. This website is designed and hosted by Design Dough Ltd.

We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand. AbilityNet has advice on making your device easier to use if you have a disability.

Feedback and contact information

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille, please contact Cathrine.E.Richards@Swansea.ac.uk. We'll consider your request and get back to you within seven working days.

Reporting accessibility problems with this website

We're always looking to improve the accessibility of this website. If you find any problems not listed on this page or think we're not meeting accessibility requirements, please contact: Cathrine.E.Richards@Swansea.ac.uk

Enforcement procedure

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018 (the 'accessibility regulations'). If you're not happy with how we respond to your complaint, contact the Equality Advisory and Support Service (EASS).

Technical information about this website's accessibility

AD|ARC is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018. This website is fully compliant with the Web Content Accessibility Guidelines versionst 2.1 AA standard.

Content that's not within the scope of the accessibility regulations

PDFs and other documents

Our PDFs provide information on how the AD|ARC project is governed and information for researchers working with AD|ARC. These are also published on www.adarc.ac.uk as separate html pages, available by clicking the links in the footer at the bottom of the page.

Any new PDFs or Word documents we publish will meet accessibility standards.

Preparation of this accessibility statement

This statement was prepared on 27th April 2023 and last reviewed on 11th May 2023.

This website was last tested on 10th May 2023. The test was carried out by developers at designdough ltd.

The approach we used to decide which pages to test is explained here on the UK Government Website. By this approach the sample pages include:

- The site's homepage
- Content pages that are mostly text-based
- Images, video and audio content
- Interactive tools and transactions
- PDFs and other documents
- Technology HTML checks
- Navigation links
- Dynamic and user-changable content.
